INDULGENCE SLIPPERS

Pamper your guests with the comfort of the Indulgence Slippers. These open or closed-toe slippers have two available styles: velour or waffle weave. Featuring an EVA sole design to increase longevity and reduce slippage. Recommended for one-time use, these slippers are one size fits most.

The Polyester Velour style is crafted from 100% polyester, while the Cotton Waffle Weave option is made from a durable blend of cotton and polyester.

Available in both open toe and closed toe styles, with your choice of the Polyester Velour or Cotton Waffle Weave patterns.

The slippers are one size fits most (OSFM).
