

RETREAT BOX SPRING WRAP

Retreat Box Spring Wrap in Charcoal

Eden Textile has designed the Retreat Box Spring Wraps with practicality and efficiency in mind. Our box spring wraps are crafted with elastics, anchoring each corner of the wrap to the box spring, making the application and removal effortless.

100% polyester to ensure durability and longevity for the hospitality industry.

Available in 5.5" and 9" depth. Please note that the 5.5" depth is only available in black.

The seams of the box spring wrap are strategically hidden at the head of the box spring. This design choice ensures that there are no visible seams, leading to a cleaner and more polished look.

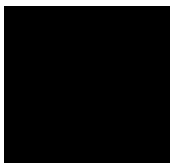

Machine washable & dryer safe.
